BCA GENERAL — EXAMINATION SCHEDULE

Exam planning sheet • Semesters V & VI

Important: This pack is prepared on the assumption that your college is affiliated to **Bangalore University (BU)**, not Bengaluru City University (BCU). The BU BCA NEP 2021 scheme document states it applies from academic year 2021–22 onwards. Confirm your scheme and college notices before relying on dates or elective choices.

No official exam dates are inserted. University examination timetables are issued by the Controller of Examinations and can change by notification. A verified, batch-specific BU date sheet was not established from the sources checked, so this PDF is a planning template only. Do not treat the sample rows as announced dates.
