BCA GENERAL — ATTENDANCE POLICY

Student reference • Bangalore University

Important: This pack is prepared on the assumption that your college is affiliated to **Bangalore University (BU)**, not Bengaluru City University (BCU). The BU BCA NEP 2021 scheme document states it applies from academic year 2021–22 onwards. Confirm your scheme and college notices before relying on dates or elective choices.

Core attendance requirement

Bangalore University's published statute text states that a candidate (other than a private candidate) is required to put in **75% attendance** and earn a satisfactory conduct and progress certificate to qualify for admission to a prescribed examination. This is the safe minimum planning threshold to follow unless a current course-specific regulation or official order applicable to your batch says otherwise.

What this means in practice

• Aim for attendance comfortably above 75% in every subject and practical/lab component.
• Track attendance subject-wise; do not rely only on an overall percentage.
• Submit medical or other supporting documents promptly to the college. Documentation does not automatically guarantee condonation.
• Contact the class teacher / HOD early if your attendance is falling short.
• Exam fee payment or exam application alone does not establish examination eligibility; the applicable attendance and other regulations must also be satisfied.

Important caution about condonation

The exact condonation process, permissible grounds, minimum threshold, fee (if any), competent authority and deadlines must be checked in the current BU regulations and college circulars applicable to your admission batch. Do not assume that medical certificates automatically waive shortage or that a fee can always cure attendance shortage.

How to calculate attendance

Attendance percentage = (classes attended ÷ total classes conducted) × 100

Example: If 80 classes have been conducted and you attended 62, your attendance is 62 ÷ 80 × 100 = 77.5%.

Total classes held	Classes attended	Attendance	Status against 75%
80	62	77.5%	Above 75%
80	58	72.5%	Below 75%

Official reference and verification

• Bangalore University statute, Chapter XXVII, Sections 39–40: https://b-u.ac.in/sites/b-u.ac.in/files/default_images/CHAPTER_XXVII.pdf (published text includes the 75% attendance requirement).
• Ask your college office for the latest BCA/UG attendance circular and the current rules on condonation, practical attendance, leave and exam eligibility.

This guide summarizes the published university statute text and is not legal advice or a substitute for the latest university/college notification. If a newer regulation or batch-specific order applies, that document takes precedence.
